

City of Cameron, Texas
Texas Water Development Board
Drinking Water State Revolving Fund Project #62695
Loan #L1000517
Water Distribution Phase IV
Palasota Construction

This project consists the replacement of approximately 2,400 linear feet of 6" Waterline along Colfax from Batte St. to SH 36. The project is funded under the Texas Water Development Board Drinking Water State Revolving Fund (TWDB DWSRF) and is subject to all TWDB requirements including the Davis-Bacon Wage Act and American Iron and Steel Requirements.
